=====

AGRICULTURAL / REAL ESTATE LEADS

Lead # 020210-02

Posted: 02/02/2010

Offer to Sell:

Location: Libya

Product: Farm Project for Olives Trees & Vineyards

Brief Description: Government is looking to provide agricultural land to be worked by foreign companies. The allotments totals thousands of hectares, to be given based on a contract that is negotiated via an African company. The initial allotment is for 35,000 hectares to be used for olive trees and grapes (not for wine production). The army may also provide an additional equivalent tract for this project. This is an important dossier and as American agriculture is viewed as some of the best today; the potential here could be significant. The Libyan POC is recognized as a significant farmer in these crops and the army has already asked him to find a company for their land (the projects have to be mostly trees).

=====

AGRICULTURAL LEADS

Lead # 020210-03

Posted: 02/02/2010

Offer to Buy:

Location: Pakistan

Product: Packaged Butter in Consumer Sizes

Brief Description: Company is very interested in importing packaged butter (for consumer usage in small packaging as 125gms or 250gms or 500gms) from the USA. It is looking for any supplier who is willing to work with the company. The company is currently focused on butter as currently there is only one imported brand available (Lurpak from Denmark available). It is very

702 West Street ● Wilmington, DE 19801

Phone 302-656-7905 ● Fax: 302-656-7956 ● www.wtcde.com

interested in finding butter of the same quality and at a very reasonable price. If so, the company believes it could deliver some very decent sales volumes. Halal certification is a significant bonus.
