

Eric Casey
Chief Executive Officer
GT USA Wilmington

Eric Casey is a multi-dimensional senior executive with experience in leadership, multi-site operations, strategic planning, business execution, quality assurance, maintenance, cost management, and process improvement.

Eric has a unique background, having spent more than 26 years in the United States Marine Corps, covering roles in tactical aviation and Special Operations. As a Marine, Eric flew in F/A-18's, was a member of a National-Level Special Mission Unit, spent tours in Force Reconnaissance, and has participated in multiple combat deployments in three different wars. In business, prior to joining GT USA, Eric worked for Virginia International Terminals as part of the senior leadership in the role of Vice President, and for Maersk Line, Limited in Operations, Emerging Markets and Business Development.

Eric is a member of LEAD Hampton Roads, has been on various National and State Boards, has acted as advisor to two Governors of the Commonwealth of Virginia and represented firms to Cabinet-level Secretaries and Congressional staffs for support of international initiatives.

Eric's field of expertise lies in strategy development, planning and management. He has significant international leadership, crisis management, operations, maintenance, and business management experience that he brings to the GT USA team. In addition, he has extensive experience in counter-terrorism, counter-piracy, and maritime support to Government operations and contingencies.

Eric has an MBA from the Mason School of Business, College of William and Mary, a Bachelor of Science degree in Ag Economics from the Ohio State University, Lean certification from the University of Michigan, and Six Sigma Master Black Belt through Texas Tech.
